WHEREAS, on December 7, 2005, the City Council consented to the Assignment and Assumption Agreement and authorized the Mayor to execute the Consent to Assignment and Assumption Agreement, and

WHEREAS, concurrently with the City Council consent to the Assignment and Assumption Agreement, the City and the Developer entered into the First Amendment to the Exclusive Negotiation Agreement, and

WHEREAS, on May 17, 2006, the City Council authorized the Mayor to enter into the Second Amendment to the Exclusive Negotiation Agreement, and

WHEREAS, on December 6, 2006, the City Council authorized the Mayor to enter into the Third Amendment to the Exclusive Negotiation Agreement, and

WHEREAS, Developer desires to continue exclusive negotiations with the City concerning the Developer's plans for the development of the Site WITH THE INTENT TO ENTER INTO A "DISPOSITION AND DEVELOPMENT AGREEMENT" AT THE CONCLUSION OF THE NEGOTIATION PERIOD, as defined hereafter.

NOW, THEREFORE, for and in consideration of the mutual agreements, which are hereinafter contained, the parties do hereby agree as follows:

1. Mandatory Terms to any Disposition and Development Agreement include:

A. 3<sup>rd</sup> Street Pedestrian Bridge

The Developer agrees to:

(i) Remove the 3<sup>rd</sup> Street Pedestrian Bridge between the east and west towers of the Lady Luck Casino Hotel at Developer's sole expense.

(ii) Not negotiate for any compensation (including but not limited to the write down of land value) or other considerations from the City in return for removing the 3<sup>rd</sup> Street Pedestrian Bridge.

(iii) Make the complete removal of the 3<sup>rd</sup> Street Pedestrian Bridge a condition precedent to close of escrow for the Site.

B. No Street Closures

The Developer agrees that the City will not permit any street closures relative to the development of the Site.

2. Negotiations

A. Good Faith Negotiations

The City and Developer agree for the Negotiation Period set forth below to negotiate diligently and in good faith to prepare a Disposition and Development Agreement (hereinafter "DDA") for the Site located in downtown Las Vegas as shown on the Legal Description of Exhibit "A". All terms and conditions of the DDA, other than the terms and conditions in Section 1.A. above, will be defined and negotiated in good faith by the City and the Developer during the Negotiation Period. The City further agrees, for the Negotiation Period set forth below, not to negotiate with any other person or entity regarding development of the Site or any portion thereof.

B. Negotiation Period

The duration of this Amended ENA shall run from the date of said Amended ENA up to and including October 17, 2007 (hereinafter "Negotiation Period"). If upon expiration of the Negotiation Period, Developer has not signed and submitted the DDA to the City, then this Amended Agreement shall automatically terminate.

C. Performance Period

Within the first sixty (60) days of the Negotiation Period (the "Performance Period"), the Developer shall fully perform all of the tasks listed in Section 2.D. below or this Amended ENA shall automatically terminate upon written notice of the City of deficiencies in the performance of said tasks within the 60 day period.

D. Tasks to be Performed by Developer during Performance Period

Tasks to be fully performed by the Developer within the Performance Period are:

i. Provide evidence to the City of new equity and/or debt financing for the Lady Luck Hotel and Casino.

ii. Provide evidence to the City of a franchise agreement with a new hotel operator for the Lady Luck Casino Hotel.

iii. Provide evidence to the City of construction contracts and financing agreements to complete the renovation of the Lady Luck Casino Hotel.

iv. Start construction on the renovation of the Lady Luck Casino Hotel and show reasonable progress on said renovations as determined by the City, at its sole discretion.

All of the above required documentation in Sections D.i. - iv. shall be in sufficient detail and clarity for the City to determine that the construction on the renovation of the Lady Luck Casino Hotel will progress to completion.

E. Master Plan for Site

The Developer, at Developer's expense, shall complete and provide to the City a final master plan for development of the Site (the "Master Plan") no later than **ninety (90) days** from the start of the Negotiation Period. The Developer shall provide the City with a draft copy of the Master Plan no later than **forty-five (45) days** from the start of the Negotiation Period.

The Master Plan shall strongly consider and be attentive to the historic nature of the Federal Building-Post Office located on the Site. In addition, the Master Plan shall clearly indicate each distinct phase of the development, as well as, the specific development items that will occur in each phase and corresponding timeline for accomplishing said development items. Phase 1 of the Master Plan shall be limited specifically to the unencumbered portion of the Site currently being used as a park.

F. Deed Restrictions and Contractual Obligations

The portion of the Site designated as Parcel 2 on the Legal Description of Exhibit "A" includes approximately 2.00 acres ("Deed Restricted Acreage") that are subject to certain deed restrictions for historical monument purposes only in perpetuity as more fully set forth in the Quitclaim Deed dated May 13, 2002, attached as Exhibit "B" to this Amended Agreement, and recorded in the Office of the County Recorder, Clark County, Nevada in Book No. 20020514, Instrument No. 00962. As such, negotiation of the terms and conditions of the DDA will most likely result in the Deed Restricted Acreage being excluded from the Scope of

Development unless, during the ENA process, Developer can clearly demonstrate that public objectives can be achieved by including the Deed Restricted Acreage in the Scope of Development. In addition, Parcel 1 is subject to certain contractual obligations pursuant to an Interlocal Agreement between the City and Regional Transportation Services for the operation of mass transportation services in Clark County, Nevada. Developer acknowledges that a copy of the Interlocal Agreement has been delivered to the Developer as Exhibit "C" that is attached to this Amended Agreement.

All terms and conditions of the DDA will be defined and negotiated subject to the Master Plan, as well as, any and all existing deed restrictions or contractual obligations on the Site.

3. Development Concept

A. Scope of Development

The negotiations hereunder shall be based on the development concept proposed in the Master Plan by the Developer. The design, architecture and exact dimensions of the real property to be developed will be defined during the negotiation of the DDA based upon the acceptability of the Master Plan (including phasing of development) to the City, at its sole discretion.

B. Developer's Findings, Determinations, Studies and Reports

Developer shall submit to the City written progress reports monthly describing the status of Developer's performance since the preceding report, including the Master Plan, any reports and studies completed, and the expected progress to be made in the next succeeding period. Upon reasonable notice, as requested by the City, Developer agrees to make oral progress reports advising the City and/or the Las Vegas City Council on the Master Plan, all matters and all studies being made by Developer. ALL NON-PROPRIETARY REPORTS AND STUDIES (INCLUDING, BUT NOT LIMITED TO, THE MASTER PLAN, APPRAISAL REPORTS, ENVIRONMENTAL STUDIES, GEOTECHNICAL STUDIES AND MARKET STUDIES) SHALL BECOME THE PROPERTY OF THE CITY.

4. Deposit and Purchase Price

The Developer has previously submitted to the City a sum of One Hundred Thousand Dollars (\$100,000.00) to ensure that Developer shall proceed diligently in good faith to negotiate and perform all of the Developer's obligations under this Amended ENA (hereinafter "Deposit"). If the Developer has negotiated in good faith which shall include but not be limited to, attending all project meetings, responding to information requests by City and willingly providing any information and concept plans to further the negotiations and the development project as contemplated and described in Section 2.A. above, the Deposit shall be returned to Developer upon the termination of the negotiations. If Developer has not negotiated in good faith as reasonably determined by the City, the Deposit may be retained by City. Failure to agree on the terms and conditions of the DDA shall not in itself be considered lack of good faith.

The purchase price and/or other consideration to be paid by Developer under the

DDA will be established as a result of negotiations between City and Developer. Such purchase price and/or other consideration will be based upon such factors as market conditions, density of development, costs of development, risks of City, risks of Developer, estimated Developer profit, public purpose and/or fair market value for the uses permitted to be developed and financial requirements of City, and will be subject to approval by the Las Vegas City Council after a public hearing as required by law. No consideration in the purchase terms will be given by the City for the Developer's agreement to items in Sections 1.A. and B. above. All other terms relevant to the disposition of the Site, including but not limited to additional deposits, shall be determined during the negotiation period as described in this ENA.

THIS INTERLOCAL AGREEMENT is made this 18<sup>th</sup> day of December 2002, by and between the REGIONAL TRANSPORTATION COMMISSION OF SOUTHERN NEVADA, hereinafter referred to as the "RTC," and the City of Las Vegas, Nevada, a municipal corporation of the State of Nevada, whose address is 400 Stewart Avenue, Las Vegas, Nevada 89101, hereinafter referred to as "CITY."

WHEREAS, the RTC has entered into grant agreements with the Federal Transit Administration (previously known as the Urban Mass Transportation Administration and hereinafter referred to as "FTA") for federal funding participation in mass transit projects under sections of the Urban Mass Transportation Act of 1964, as amended; and

WHEREAS, the CITY, financed in part by a grant from FTA through the RTC, has constructed a 10,000 square foot building on CITY real estate, commonly known as and referred to as the "Downtown Transportation Center," 300 North Casino Center Boulevard, Las Vegas, Nevada 89101, to provide a terminal facility for mass transit vehicles and a central transfer location for passengers in the Clark County mass transit system; and

WHEREAS, the RTC, under said grant agreement with FTA, and acting in the capacity as the FTA Designated Recipient, provided the means for the CITY to obtain FTA monies to construct the Downtown Transportation Center; and

WHEREAS, FTA, pursuant to Section 3 of the Urban Mass Transportation Act of 1964, as amended, requires the RTC to have, maintain, and exercise satisfactory continuing control over the use, administration, and maintenance of the Downtown Transportation Center; and

WHEREAS, for the purposes of FTA, an Interlocal Agreement for the use, administration, maintenance, and repair of the Downtown Transportation Center constitutes, in part, satisfactory continuing control; and

WHEREAS, the RTC anticipates, with the use of the Downtown Transportation Center, the operation of mass transportation services in Clark County, Nevada which may be complemented by the services and facilities of the CITY; and

WHEREAS, the RTC desires to engage the CITY to provide specified transportation center services, hereinafter described.

NOW THEREFORE, it is agreed:

ARTICLE I - SCOPE OF WORK

- A. The CITY will operate and maintain the Downtown Transportation Center as a terminal facility for mass transit vehicles and a central transfer location for

passengers of the Clark County mass transit system in accordance with the Scope of Work attached hereto as Exhibit "A" and made part of this Interlocal Agreement by this reference. The CITY agrees to make the Downtown Transportation Center available to all vehicles and passengers of the mass transit system in Clark County, Nevada. The term "mass transit" is used herein according to the definition promulgated by FTA.

- B. The RTC will operate and maintain fare collection for six fare boxes to be operated by the CITY. Fare collection will be provided at the Downtown Transportation Center, located at 300 North Casino Center Boulevard. All fares collected will be counted, prepared and deposited into an account designated by the CITY. The RTC will provide an actual counted revenue figure deposited to the CITY on a daily basis. The CITY shall designate where this information will be delivered or facsimiled.
- C. The RTC will collect all data from the fare collection system. Data collected from the fare collection system shall be sent to the CITY. All data collected on the CITY operated routes will be delivered or facsimiled on a daily basis to a designated CITY representative.
- D. The RTC will perform all maintenance on six fare boxes at the Integrated Bus Maintenance Facility (IBMF), located at 3216 Citizens Way, North Las Vegas, Nevada 89030. Maintenance will include all labor and spare parts for six fare boxes.

The expenses include, but are not limited to, salaries, materials and supplies for the following services: administration; custodial; building maintenance; driveway and grounds maintenance; and security. The City will invoice the RTC monthly for the actual amount of all expenses due, net of a credit for 50% of farebox revenues generated on the City Ride buses. Included with the invoice will be backup material indicating the total revenues, total expenses and the portion due the City by the RTC for the month.
- B. In no event shall the total amount of payments due to the CITY from the RTC for the operation of the DTC and City buses exceed nine hundred thousand dollars (\$900,000.00) per year for the entire three (3) year term of this Interlocal Agreement.

farebox revenue generated on City Ride buses to the budgeted transit expenses of the City Ride buses and credit 50% of the revenue to the RTC on each monthly invoice. The CITY shall have the option of accounting for the expenses and revenue of the DTC and City buses through the CITY'S general fund accounting system in conformity with the requirements of ARTICLE III of the Interlocal Agreement.

- D. During the term of this Interlocal Agreement, the RTC shall have the right of approval of any and all concession and advertising agreements affecting the DTC or City buses entered into by the CITY and third parties. Each such Agreement shall contain the following express condition: "This Agreement is subject to the written approval of the Regional Transportation Commission." The RTC shall not unreasonably withhold approval of any such Agreement, and written requests for approval by the CITY to the RTC shall be deemed to have been granted in the event that the RTC does not respond to a request within sixty (60) days of receipt.

**Consideration by the CITY to the RTC:**

- A. The CITY agrees to perform the duties detailed in Article I of this Agreement, Scope of Work, and shall be responsible for paying fifty (50) percent of the expenses thereof. The CITY may offset all or part of its fifty (50) percent share of the expenses with revenue collected from the concessions at the DTC.
- B. The CITY agrees to pay the RTC a sum of money equal to \$1,000.00 per month for the operating expenses of the RTC reasonably necessary to perform the duties detailed in Article 1 (B) (C) (D), Scope of Work. The CITY shall pay the RTC monthly payments for each year of the agreement.
- C. In the event the fare box has a malfunction or jam, the CITY must contact the RTC revenue equipment maintenance staff at 264-0531 or 264-0533. The RTC agrees to respond to such maintenance requests within one (1) hour of initial telephone call.

**ARTICLE III - RECORDS AND ACCOUNTING**

The CITY shall maintain fiscal accounting records, in conformity with generally accepted accounting principles, of all operations, maintenance, and repairs of and to the Downtown Transportation Center. The CITY shall have an independent outside auditor prepare an annual audit of its records as provided under OMB Circular A-1 28 or subsequent regulations as required by FTA, two copies of which shall be submitted to the RTC within 30 days after, their completion.

The records maintained by the CITY shall also show the account and source of all revenue derived from the operations of the Downtown Transportation Center, and the CITY shall furnish such information to the RTC upon request. In addition, use of said funding assistance shall cause the CITY to contribute toward the Disadvantaged Business Enterprise (DBE)

spending requirements as established pursuant to Section 105(c) of the Surface Transportation Assistance Act.

Any Federal funds expended in connection with DTC and City bus operations shall be included in the RTC's basis for purposes of establishing annual DBE goals under Section 105 (c) of the Surface Transportation Assistance Act and DBE regulations.

The notice requirement does not waive the insurance requirements contained therein. In addition, the CITY shall notify the RTC within 30 days of any reduction in coverage or limits.

Alternatively, the CITY may insure the Downtown Transportation Center by self-insurance, which provides equivalent coverage as the above insurance provisions for the

protection of the property. Notification shall be to the RTC if the CITY is exercising this alternative.
